Around Montauk…

Montauk Seafood Festival

September 12th and 13th | The Montauk Friends of Erin and Kiwanis Club of East Hampton are proud to present a family-friendly seafood event, right in the Heart of Montauk. The Montauk Seafood Festival started 13 years ago as a joint fundraiser to support both groups' charitable interests here on the East End. This year about 10 different restaurants and vendors will be featuring some of their seaside favorite dishes… go and sample these signature dishes at reasonable prices: Lobster rolls, fish tacos, chowder, tuna sliders, shrimp, clams, oysters, sushi, dumplings, Mediterranean platter, Lobster Cobb Salad, Seafood Soup, Gazpacho, fish ceviche, crab cakes, burgers & hot dogs, roasted corn, French fries, ice cream treats, coffee… Along with your food sip a cold beer from Montauk Brew, wine, or soft drinks while enjoying Live Music each day- The Holiday Ramblers on Saturday and She the People on Sunday. There will also be fun for the kids- games, tattoos, face painting, an ocean exploration table, Cornell Cooperative family activities as well as other family friendly activities and games. Go and experience what Montauk has always known-our seafood is the best! The event runs both days **12PM-5PM** on the green in the center of town, across the street from the Chamber of Commerce- $5 Admission- cash only- Dogs are not allowed under the tent – FYI.

Or maybe you have a friend who's looking to join and you'd want them to have an account before the start of next year? We're here for you -- please email any changes/requests/questions to info@montauklakeclub.com. 2027 billing deposit requests will be sent out the 1st week of November 2026.

THE SPA

"O sweet September,
thy first breezes bring
A healing balm to
soothe the weary mind;
In thy soft light and
changing canopy,
A quiet space for
restoration find."

- George Arnold

As September's ocean breezes begin to soften the days, the shoreline takes on that quiet glow only early fall can bring — a gentle pause after summer's brightness, a moment to settle, restore, and let the season exhale. Spa@MLC remains open through the end of the season, offering a calm refuge as we ease into this more reflective time of year.

After months of sun, salt, and movement, your skin and body welcome the healing balm September promises. To honor the shift, we're introducing **warmth-infused touches with our magnesium oil enhancement – with Lavender, Bergamot and cedarwood and with subtle pumpkin, cinnamon and curry leaf elements** into select treatments — comforting notes of the season that brighten, soothe, and help you transition gracefully from summer's energy to autumn's softer rhythm.

Our licensed therapists continue to offer the attentive, personalized care you rely on: Therapeutic massage to unwind what summer left behind, facials that replenish and revive, and thoughtful enhancements that help you find your own quiet space for renewal beneath September's changing canopy.
