MARINA

Summer is going fast. Congratulations to all the anglers who have participated in the fishing tournament. Our tournament still has a month to go... so, fish on! It's not over yet.

Just a friendly reminder to please use side lots for extra vehicles and big trucks… it really makes a difference. The charging spots are working out well, and thanks for leaving them open for electric vehicles.

THE SPA

"August arrives with boundless energy,
The shining sun ignites our souls, so free!
Embrace the warmth, let worries depart."

As August settles over Montauk with that unmistakable late-summer glow — bright days, warm nights, and a gentle nudge to breathe deeply before the season shifts. It's a month of renewal, of clearing away what summer has stressed, and of preparing to step back into routines feeling refreshed, restored, and radiant.
As vacations wind down and gatherings continue — it's the perfect moment to give your skin and body the care they need. This month, we're adapting one of our signature favorites for the season:

BREATHE DEEPLY — our oxygen facial, refreshed for August with a charcoal milk masque to add an even deeper detoxifying and clearing element. Perfect for brightening, calming, and getting you ready to return from vacation skin clear and glowing.
We are also offering member specials:

SUMMER RADIANCE FACIAL — a beautiful choice you can enjoy all summer long. Give sun-kissed skin the nourishment and refresh it craves. This treatment cools and calms, strengthens and restores health and radiance to stressed summer skin, making it the perfect August option.

MAGNESIUM OIL ENHANCEMENT featuring lavender, bergamot, and cedarwood — add to any therapeutic massage for only $9 (member special). Clean, light, and grounding, this enhancement is Magnesium - essential to the body, to ease tension, support muscle recovery, and help your body release what it's been carrying.
Every service remains fully personalized to your needs, and your concerns. Our therapists are licensed, local and amazing.
