CLUB NEWSLETTER

OCTOBER-NOVEMBER 2026 • VOLUME XV • ISSUE 06

Dear Members:

We have officially entered our **FALL SEASON**! The Club is the perfect place to transition from the hot, busy summer… into the colder, low-stress winter. We're happy to see so many members taking advantage of our amenities during the fall. The cooler mornings have motivated many of you to hit the gym, and then we see you again with your kids at the pool after school gets out. We love it! Don't forget, if you have guests coming to Montauk this fall, our rooms are available daily through the end of November!

Changing from season to season also changes our schedules. The restaurant and pool are open Thursday-Monday until Monday, Oct 12th. After Oct 12th, the pool is closed for the season and the restaurant is open for dining on Fridays, Saturdays, and Sundays until Saturday, November 28th. Be sure to check out Page 3 for the Columbus Day BBQ details, and mentions of our Thanksgiving Dinner, and Members Brunch!

2027 MEMBERSHIP + SEASONAL BOAT SLIPS

Deposit requests for 2027 memberships and seasonal boat slips will be sent out the 1st week of November 2026. We appreciate the many of you who have already communicated changes to us for next year. Our seasonal boat slips are at full capacity, as they have been for several years now. To be sure your space is secured, once you receive the deposit request from us, please review it and pay it by the due date listed on the statement. We have several existing members waiting for seasonal slips for their boats.

We hope you spend your weekends with us this fall -- a peaceful lunch, casual dinner, formal dinner, or just cocktails… Come by!

MARINA

On behalf of the dock staff, we'd like to thank you for another great season. Please remember to remove all your dock lines, water hoses, bait traps, cooler, etc. from the dock before departing for the winter. Most important, if you're leaving your dock box behind, please make sure the lid is locked and the box is screwed down to the dock. It is not uncommon to note one or two missing dock boxes or lids that blew off over the winter.

2027 is right around the corner! With dock space at a premium, if you purchase a new boat for next season, are selling your boat, or would like a different slip assignment, please let me know as soon as possible so that we can do our best to accommodate you and other members.

SPA

The white-capped rollers dance in brilliant light this time of year, breaking into silver as they strike the Montauk shore. The wind carries its own kind of clarity now — crisp, insistent, sweeping the sea-grass clean and bright. October rarely arrives quietly here; it arrives with force, with color, with that dramatic red-streaked horizon that tells us the season is shifting for real.

As Autumn settles over Montauk with its riotous reds and gentle chill, Spa@MLC prepares to close for the season after Columbus Day Weekend. This final stretch always brings a tender mix of gratitude and farewell — a moment to pause, breathe, and gather warmth.

In these moments, we're offering our warming magnesium enhancement —at a $9 seasonal special. A must try! soothing muscles and melts tension, a perfect counterbalance to brisk winds and salt-rough air.

Our facials will feature warming touches with pumpkin, cinnamon, and fall notes, adding nourishment and brightness as your skin adjusts to the season, helping you "face" the shift with strength, comfort and renewed radiance.

Appointments are available Thursday, Friday, and Saturday through Columbus Day Weekend. We encourage early booking as the final days of the season fill quickly.

Most of our licensed therapists remain available throughout the year for home visits, continuing the same attentive, personalized care you've relied on.

As we say farewell to the spa season, we carry October's spirit with us — the brilliant light, the silvered waves, the wind that clears and prepares. May these final treatments bring you into the holidays with warmth, strength, and a sense of renewal.
