MARINA

Summer is going fast. Congrats to all the participated anglers so far. Our tournament still has a month to go. Fish on it's not over yet. We even made a weigh-in station by my dock office.

Parking - Just a friendly reminder please use side lots for your extra cars and big trucks, it makes a big difference. The charging spots are working out good, thanks for leaving them open for the electric vehicles.

Lastly, when you're boating keep in mind that there is still a lot of debris in the water.

-John, Dockmaster
