OCTOBER-NOVEMBER 2024 • VOLUME XIII • ISSUE 05

Dear Members:

We have officially entered our **FALL SEASON!** The Club is the perfect place to transition from the hot, busy summer... into the colder, low-stress winter. We're happy to see so many members taking advantage of our amenities during the fall. The cooler mornings have motivated many of you to hit the gym, and then we see you again with your kids at the pool after school gets out. We love it! Don't forget, if you have guests coming to Montauk this fall, our rooms are available daily through the end of November!

Changing from season to season also changes our schedules. The restaurant and pool are open Thursday-Monday through Monday, Oct 14<sup>th</sup>. After Oct 14<sup>th</sup>, the pool is closed for the season and the restaurant is open for dining on Friday, Saturday, and Sundays from 11AM-9PM until Saturday, November 30<sup>th</sup>. Be sure to check out Page 3 for the Columbus Day BBQ details, and mentions of our Halloween Party, Thanksgiving Dinner, and Members Brunch!

## 2025 SEASON

Deposit requests for 2025 memberships and seasonal boat slips will be sent out the 1<sup>st</sup> week of November 2024. We appreciate the many of you who have already communicated changes to us for next year. Our seasonal boat slips are at full capacity, as they have been for several years now. In order to be sure your space is secured, once you receive the deposit request from us, please review it and pay it by the due date listed on the statement. We have several existing members waiting for seasonal slips for their boats.

We hope you spend your weekends with us this fall -- a peaceful lunch, casual dinner, formal dinner, or just cocktails... Come by!

On behalf of the dock staff, we'd like to thank you for another great season. Please remember to remove all your dock lines, water hoses, bait traps, cooler, etc. from the dock before departing for the winter. Most important, if you're leaving your dock box behind, please make sure the lid is locked and the box is screwed down to the dock. It is not uncommon to note one or two missing dock boxes or lids that blew off over the winter.

2025 is right around the corner! With dock space at a premium, if you purchase a new boat for next season, are selling your boat, or would like a different slip assignment, please let me know as soon as possible so that we can do our best to accommodate you and other members.

With the month of October, we say goodbye to the 2024 Season. Thank you, MLC members and guests, for a great 2024! We sincerely appreciate your support! Columbus Day Weekend brings this season for the Spa to a close, but before we go.... Fall into Relaxation!

Our massage staff is ready to warm your tired muscles or work deep to correct imbalances allowing your body to relax into its natural alignment. Add a special topical to your treatment; upon request, enjoy a Leef CBD full body or targeted balm application. Our facials this month are deep cleansing, renewing, and brightening using varied techniques from Gua Shay to microcurrent. Celebrating Halloween – the **"Monster Facial"** Frankenstein vs. Zombie in a play on techniques which combine for a reanimating experience. Bring your skin back to life with cell reenergizing from microcurrent followed by instant lifting masque (the "zombie masque") which uses compression to sculpt and nourish the skin. What more could a ghoulish want?

Time is limited!!! Call today! We will be **open through Sunday, October 13<sup>th</sup>** of Columbus Day Weekend Monday by appt - Thursdays thru Sat in Oct (home visits are available throughout the year).

## LIVE MUSIC FEATURING HOPEFULLY FORGIVEN

Hopefully Forgiven is a hard drivin', mellow vibin', harmony-soaked roller coaster cocktail of 100 years of American spirits. Singer/songwriters Telly Karoussos, and 'Alabama Brad' Penuel (by way of Nashville) deliver big harmonies, raw guitars and authentic songwriting that transcends genre and has attracted a devoted multigenerational fan base.
