Hi Members-

We are sad to enter our last month being open during 2022 ☹️ . November brings a sense of quietness to the Lake Club, but also the feeling of celebration and family as we gather for Thanksgiving, with Hanukkah, Christmas, and New Year's just around the corner. We want to thank you for making The Club such a big part of your life this season; we were happy to see you frequent the restaurant, marina, pool, spa, and guest rooms often. You are what defines us, so thank you for finding the beauty in Montauk and at the Montauk Lake Club. We look forward to seeing you in May 2023! Remember, if you are here throughout the winter, the fitness center stays open, so feel free to make use of it!

MARINA

Hi Boaters –

I would like to thank you all for an enjoyable year as we wrap up the 2022 boating season and my 1st season at the Lake Club. As we look ahead to the 2023 season, we ask that if you are considering up or downsizing your boat, purchasing a 2nd boat or would like to reposition your boat in the marina please keep me posted. If you find that you will not be docking with us in 2023 please give me a call or send me a note. With over 70 boats on the waiting list, dock space is at a premium and we don't want any of our existing dockage members to miss out on a potential new slip. Keep in mind, as we accommodate existing members, new boats, and new boating members, your slip assignment may change. We welcome any suggestions and ideas you may have on how we can improve the marina. If you have questions as you make plans to remove your boat from the marina this fall, please reach out to me. We officially close Nov 27.

JUST FOR LAUGHS

- 1- Always remember that money cannot buy you love. It can, however buy you a mansion, a yacht, a nice suit, and a fancy European sports car. After that, you'll be beating love off with a stick!
- 2- **Q.** What does B.O.A.T. stand for?
A. "Break Out Another Thousand"
- 3- If you own a big yacht, you probably have a little dinghy.
- 4- Poor people are causing climate change. Ignore my factories, my yacht, and my private plane. You are the problem. Eat less meat and take the bus.
- 5- The one vegetable you don't want to have on a yacht is a leek.
- 6- I got a boat for my wife. Best trade I've ever made.
- 7- **Q.** What do you call four Spanish guys in a capsized Boat?
A. Quatro sinko

FOOD

November is here; it's our final few weeks before we close for the season.

For the last month, the dinner menu will feature some winter favorites with root vegetables, mushrooms, and squashes coming into their peak seasons. Many dishes will be worth trying, so be adventurous and choose one that you normally may not, and you may be surprised by its flavor! I'll be cooking up braised beefs alongside cabbages, potatoes, and turnips.

Don't forget to make reservations for Thanksgiving! Email our restaurant at restaurant@montauklakeclub.com now. We will be serving a traditional family style dinner with sage & honey roasted turkey and all the fixings. With the Members Brunch happening the last Sunday of the month, the Club is the perfect place to spend the holiday weekend.

Thanks for a great season, and we look forward to serving you again next year!
